Sir,

Subject - Acquisition of certain extent in S No 175 of Holenarsipur village, Holenarsipur Taluk, for the construction of station and staff quarters for Electrical Department in connection with the Electrification of Holenarsipur Town -

I have the honor to state that the Chief Electrical Engineer proposed that a site measuring about 3 acres and 23 guntas situated near the Railway Station of the place may be acquired early for the construction of quarters for his staff on the Mysore - Bhadravathi Power Transmission line.

2 Necessary enquiries were made and it was reported that the site required was included in the area acquired by the Municipal Council of Holenarsipur, as per Government Order No [illegible]/M1 C-20-17 dated 14th December 1921, for town extension, that there was no necessity to acquire the ~~xxx~~ said extent now and that the Municipal Council were agreeable to hand over possession of the site to the Electrical Department

Subsequently, the Chief Electrical Engineer intimated that the proposed site was not suited for the residence of his staff being situated in a low ground and in insanitary surroundings and wanted a different site in S Nos under occupation He also proposed to surrender (200' x 350') of land originally proposed retaining the remaining extent for switching structures

The Municipal Council are agreeable to this proposal and have resolved to bear the cost The Hiduvalidars are also agreeable to part with their lands, if they are given exchange lands and suitable crop compensation Their prayer will be considered at the time of passing the award by the Land Acquisition Officer

5 The villagers have estimated the value of the lands to be acquired at Rs 200/- per acre As the area of the site in question is about 1 acre and 37 2/8 guntas, the cost of acquisition amounts to Rs 522/- approximately, inclusive of statutory allowance and 25 years' proportionate assessment and cesses thereon, as noted in the margin x
